

# Dingo Dan's Rainforest Animals Worksheet

Dingo Dan is a famous animal expert. He travels all over the world studying wildlife.

He wants to know if you've got what it takes to be an animal expert just like him!

You'll need to show that you can use the internet to discover animal facts by answering the questions below.

Start by visiting:

[www.activewild.com/rainforest-animals-list/](http://www.activewild.com/rainforest-animals-list/)

Most of the answers are on the above page, but for some you'll have to dig a bit deeper by following the links to individual animals.

\*\*\*

(Put a tick by the correct answer.)
